Beretta Donates \$10,000 to Scholarship Fund

Please join us in thanking Beretta USA for their generous \$10,000 donation to the SSSF Scholarship Fund. Beretta has been a long-time supporter of SCTP and SPP programs and is a Platinum Level sponsor.

In keeping with the scholastic component of our mission, the donation will be used to fund scholarships for graduating high school seniors who participate in SCTP and will be entering college in 2014.

In 2013, SSSF awarded \$1000 scholarships to 35 athletes. To apply for SSSF scholarships, student athletes submit a formal application with transcript and essay. The 2014 scholarship application period will open in April.

Potterfields, Midway USA Continue SSSF Support

We are pleased to report that Larry and Brenda Potterfield, owners of MidwayUSA, and the MidwayUSA Foundation are continuing their generous support of SSSF programs in 2014. They and our other loyal industry sponsors make it possible for us to offer the events and programs that introduce young people to the shooting sports and, with your help, turn them into lifetime shooters. In 2014, we will again offer endowment funds to shooters through national and regional shoots at high school and collegiate level, plus some exciting new programs to support your efforts!
