## AIM Categories and Rules for the California State Shoot:

Categories: Based on age as of September 1, 2013

Pre-Sub Age 11 and Under

Sub-junior Age 12-14

Junior Age 15-18

Seniors Age 19-23

Categories remain the same for the entire year

## AIM SQUAD CATEGORY

Shooters may shoot on a squad composed of members of other categories. However, the squad will be shooting in the highest category represented in the squad. (Example If a squad is comprised of 1 Pre-Sub, 2 Sub-Juniors and 2 Juniors the squad will be competing in the Junior category) Moving up in age group is for Team purposes only and does not affect a shooters individual category with AIM. Squads are defined as five (5) shooters competing on the same squad, at the same registered shoot, at the same gun club, and on the same trap field. There are no exceptions to this rule.

Only shooters who legally reside in the state of California will be eligible for state trophies. Squads must include five (5) shooters who live in California, and they must all shoot together on the same squad.

## AIM SETTLING TIES

Ties for all individual and team events will first be figured by reverse sub event. If a tie still stands, it will be figured by reverse run. If shooters are still tied after these determinations, it is up to shoot management to decide how the final tie will be settled.

## AIM OFFICIAL RULES

ATA Rules will govern the AIM/SCTP California State Shoot unless otherwise noted. It is the responsibility of coaches and participants alike to be familiar with all aspects of the ATA Rule Book. Please visit <http://www.shootata.com/> for an official rulebook.

## SCTP Categories and Rules for the CASCTP State Shoot:

Rookie Division- Grade 5 and Under

Intermediate Division:

Entry - 1st year in the intermediate division.

Advanced- After 1 year in the intermediate division.

Senior Division:

Junior Varsity - 1st year in the senior division.

Varsity - After 1 year in the senior division.

College Division

With the exception of the rookie squads, a valid competitive squad consists of five (5) Athletes. Shooters may shoot on a squad composed of members of other categories. However the members of that squad will only be eligible for individual awards and overall club award. There are no exceptions to this rule.

In exceptional circumstances where a valid competitive squad cannot be constituted, Athletes may be elevated or "Bumped Up" to a higher category within a division or to a higher division in order to fill short squads in a single discipline or multiple disciplines. All "Bump Up" requests must first be submitted to the State Advisor for a recommendation. State Advisors will communicate their recommendation to the Director of Development for a final decision. If there is no State Advisor in the state, the request must be submitted directly to the Director of Development.

Once a lower Category or Division Athlete has been "BUMPED UP" in a discipline, he or she must compete at the higher level in that discipline for the remainder of the SCTP Season. In no case will a "BUMPED UP" Athlete be allowed to return to a lower Category or Division in the discipline during that SCTP season.

The High Club award will be determined by the taking the highest two (2) scores from the Junior Varsity and Varsity divisions and the highest 2 scores from the Rookie, Intermediate entry and Intermediate advanced division and the next highest score from all the divisions (college shooters will be excluded from this calculation) for each Club.

## SCTP CONTINUED:

Squad entry forms are due 21 days prior to the designated State Championship. Please see <http://www.sssfonline.com/shotv4/registration/index.asp>. Failure to submit the squad entry form in a timely manner will result in disqualifying the squad for SCTP team awards. Important! Please note: No Substitutions will be allowed after a competitor fires the first shot at a legal target. Once a Squad Member fires at a legal target in ANY SCTP State Team Championship event, his/her score will be counted as part of the Squad's aggregate score even if he/she cannot finish the event.

## SCTP Shoot-Off Required

In the event of a tie between individuals or among Squads for 1st, 2nd or 3rd place in the same Category or Division, a shoot-off will be conducted to determine the champion or place of finish. Shoot-offs will be conducted only to break ties between or among Individuals and Squads. Ties will be settled by shoot-offs.

## SCTP Shoot-Off Procedures

All squads in a shoot-off for a specific Category or Division award will be conducted from the 16-yard line in a 25-target round. Shoot management will determine squad shooting order. Squad members shoot all shoot-off targets from the SAME post as they did in the main event.

The total number of targets broken by the squad during the round will be used to determine the winner. If there are tie scores between or among squads, the tied squads are still "ALIVE" and continue on to the next round.

Round Two – Two or more squads still "ALIVE" from Round One move back to the 22-yard line with their squad mates and continue the same shoot-off process. If there are tie scores between or among squads, the tied squads are still "ALIVE" and continue on to Round Three.

Round Three – Two or more squads still "ALIVE" move to the 27-yard line and follow the shoot-off procedures used in the preceding two rounds. The next and all required subsequent rounds will be shot from the 27-yard line.

Individual Shoot offs will be conducted as outline above with the exception of the shooter's post, which will be determined by CASCTP State Advisor.

## SCTP OFFICIAL RULES

ATA Rules will govern the AIM/SCTP California State Shoot unless otherwise noted. It is the responsibility of coaches and participants alike to be familiar with all aspects of the ATA Rule Book. Any conflict in the SCTP portion of this event will be governed by the SCTP Official Handbook. Please see [http://www.sssfonline.com/media/1408/ssf\\_sctp\\_handbook.pdf](http://www.sssfonline.com/media/1408/ssf_sctp_handbook.pdf).

### Other Notes:

All protests must be submitted to the State Advisor/Director within 10 minutes of the last squad's completed round. All protests must be in writing and submitted with a deposit of \$50.00. Should the protest be unsuccessful, the deposit shall be forfeited.

Upon the conclusion of the event, each coach will be provided with a summary score sheet and standings. It is up to each coach to verify the scores and outcomes for their team. Upon agreement of the standings, each coach will initial the score sheet and return it to the State Advisor/Director. Once the sheet has been initialed by all of the coaches, the results will become final and un-appealable. At the conclusion of the awards ceremony, each coach will receive their initialed copy of the results.
